

BUSINESS SPONSORSHIP PACKAGE

BERRONG-OAKLEY HOUSE RESTORATION PROJECT

WHERE COMMUNITY & HERITAGE MEET

ABOUT THE PROJECT

This project is more than saving “an old home.” It’s about preserving a living piece of Towns County’s history while creating a space where community, culture, and heritage unite. Once restored, the Berrong-Oakley House will be reimagined as a vibrant community event center, heritage resource hub, and welcoming green space, a place for learning, celebration, and connection that also strengthens our local tourism economy.

WHY SPONSOR?

COMMUNITY IMPACT

By sponsoring the restoration of the Berrong-Oakley House, you will help preserve local history by safeguarding one of the few remaining historic homes in Towns County. The completed project will also boost tourism, serving as a heritage center, community event space, and museum that draws visitors to downtown Hiawassee. At the same time, your business will gain visibility as a recognized community partner whose support helped make this important project a reality.

BUSINESS ADVANTAGE

Sponsoring the Berrong-Oakley House connects your business with pride, heritage, and progress in Towns County. This commitment builds community trust and loyalty, linking your brand to a venue for community events and tourism. Your support preserves history and positions your business as a leader in community growth, associating your name with positive impact and lasting legacy.

CULTURAL LEGACY

Your sponsorship connects your business to Towns County's history by supporting the Berrong-Oakley House restoration. This contribution creates a lasting legacy that future generations will recognize and celebrate, ensuring your role in preserving the community's heritage and shaping its future, even if your business is no longer present.

LASTING RECOGNITION

Once restoration is finished, sponsorships will be showcased on the Community Partners Wall in the Berrong-Oakley House, ensuring visibility for your business during tours and events. Recognition will extend to event promotions, social media, and community outreach, enhancing your brand's positive visibility.

This project will preserve a landmark of Towns County's past while creating a vibrant space that strengthens community connections, celebrates local culture, and supports long-term economic growth through tourism.
